Uninterrupted Access to Digital Media Storage:
6Gb/s and 3Gb/s SAS/SATA RAID Adapters

ATTO
ATTO Technology, Inc.

Benefits of ATTO's SAS/SATA RAID Adapters

Intelligent RAID Solutions for High-Performance Workstations

- **High-performance data protection** - *optimized for bandwidth-intensive workflows like editing multiple streams of SD and HD video*

- **Supports full stream counts in degraded mode** - *minimize downtime to meet project deadlines*

- **50% faster rebuilds** - *reduce exposure to simultaneous drive failures*

- **Low-cost host level RAID** - *affordable storage expansion alternative to RAID arrays with minimal impact on CPU processing*

- **RAID group partitioning** - *better access control and workflow management*

- **Latency-management ADS™ Technology and DriveAssure™ Technology** - *controls data acceleration and RAID group settings in order to maintain the highest consistent streaming performance*

- **Mac®, Windows® and Linux support** - *single solution for heterogeneous storage environments*

- **CacheAssure™ battery-less backup** - *environmentally-friendly NV cache protection module (6Gb/s models only)*
