FOR IMMEDIATE RELEASE

ATTO Technology Showcases NetApp Data Fabric Connectivity at NetApp INSIGHT

Will feature MetroCluster™ core component ATTO FibreBridge® and multiple certified products.

Amherst, NY (October 10, 2019) – [ATTO Technology, Inc.](http://atto.com), a global leader of network and storage connectivity and infrastructure solutions for data-intensive computing environments for over 30 years, announced today they will be exhibiting at NetApp INSIGHT™ 2019 in Las Vegas, October 28-30, booth 710 in Insight Central.

ATTO is a sponsor of NetApp INSIGHT and a member of the NetApp Alliance Partner Program. They will demonstrate how ATTO helps to empower data-driven enterprises when ATTO high-performance connectivity products are combined with NetApp solutions.

At NetApp INSIGHT, ATTO will exhibit ATTO FibreBridge® and XstreamCORE® accelerated protocol converters. [ATTO FibreBridge 7600N](#) is a third-generation FibreBridge solution that enables synchronous site-to-site replication by providing low latency 32Gb Fibre Channel connections to NetApp flash and disk systems while maintaining high resiliency. It is a key component of the NetApp® MetroCluster™ solution.

ATTO certified connectivity options for NetApp storage and data management solutions include [ATTO XstreamCORE Fibre Channel-to-SAS/SATA storage controllers](#) and [ATTO Celerity™ Gen 6 32Gb and 16Gb host bus adapters](#) (HBAs). Additionally, ATTO tests [ATTO ThunderLink® Thunderbolt™ adapters](#), [ATTO FastFrame NICs](#), and [ATTO ExpressSAS HBAs](#) for performance and compatibility with NetApp solutions.

NetApp INSIGHT attendees are encouraged to [schedule an appointment](#) before the show.

For details on how ATTO powers NetApp solutions, see the [ATTO NetApp solutions on our website](#).

Purchase ATTO products through leading Value Added Resellers, System Integrators and the ATTO Web Store. Learn more: www.atto.com/howtobuy/

ABOUT ATTO

For over 30 years ATTO Technology, Inc. has been a global leader across the IT and media & entertainment markets, specializing in network and storage connectivity and infrastructure solutions for the most data-intensive computing environments. ATTO works with partners to deliver end-to-end solutions to better store, manage and deliver data. Working as an extension of customers' design teams, ATTO manufactures host adapters, network adapters, storage controllers, Thunderbolt™ adapters, and software. ATTO solutions provide a high level of connectivity to all storage interfaces, including Fibre Channel, SAS, SATA, iSCSI, Ethernet, NVMe and Thunderbolt. ATTO is the Power Behind the Storage.
