	Windows 2003 Native Backup	X	X	X

Disclaimer: The ATTO Interoperability Matrix is a general guideline that is not specific to firmware, version, revision, specification level or test configuration of ATTO or third-party products. ATTO Technology tests products on an ongoing basis and new equipment is constantly being added. The Interoperability Matrix may not reflect the most current information. If a specific product is not shown, please contact ATTO Technical Services at 800-858-9598 for additional information. Inclusion of any product on this list does not guarantee compatibility. Customer-specific configurations may influence compatibility. Please check the ATTO Technology website at www.attotech.com for additional details.
