FOR IMMEDIATE RELEASE

ATTO Technology Announces Support for macOS® High-Sierra

Complete hardware and software portfolio supports latest macOS release

Amherst, NY (Sept 25, 2017) – ATTO Technology, Inc., a global leader of storage, network connectivity and infrastructure solutions for data-intensive computing environments for nearly 30 years, today reaffirmed its commitment to Apple® technology innovations by announcing support for macOS® High Sierra.

Apple has long been a platform of choice for creative professionals. Applications such as HD and 4K digital production as well as video editing have expanded file sizes and project complexity, pushing users to grow their storage footprint exponentially. ATTO has continued to innovate and provide the most reliable products powering high-performance infrastructures and demanding applications in media and entertainment, government and education, scientific and large data-block environments.

ATTO storage and network connectivity products support Apple markets, including Pro Apps, education and business. The new OS meets the increasing demands from those industries by featuring an updated file system and improvements for video and graphics.

Products included in the ATTO portfolio of macOS High Sierra supported solutions are:
- Celerity™ 32Gb/s (Gen 6), 16Gb/s (Gen 5 and Gen 6) and 8Gb Fibre Channel host bus adapters (HBAs) with MultiPath Director™
- ExpressSAS® 12Gb and 6Gb SAS/SATA HBAs and 6Gb RAID adapters
- Thunderbolt™ 3 and 2 enabled ThunderLink® adapters
- FastFrame™ 40GbE and 10GbE network interface cards (NICs)
- Software including ATTO ConfigTool™, XstreamVIEW™, Xtend SAN™ iSCSI Initiator, Express NAV™ and QuickNAV

ABOUT ATTO

For nearly 30 years, ATTO Technology, Inc., has been a global leader across the IT and media and entertainment markets, specializing in storage and network connectivity and infrastructure solutions for the most data-intensive computing environments. ATTO works collaboratively with partners to deliver a wide range of end-to-end, customized solutions to better store, manage and deliver big data. With a focus toward markets that require higher performance and with a dedication to working as an extension of customer's design teams, ATTO manufacturers host and RAID adapters, network adapters, storage controllers, Thunderbolt™ enabled devices and software. ATTO solutions provide a high level of connectivity to all storage interfaces, including Fibre Channel, SAS, SATA, iSCSI, 40/10GbE, NVMe and Thunderbolt. Distributing its cutting-edge products worldwide through Original Equipment Manufacturers (OEMs), systems integrators, value added resellers (VARs) and authorized resellers, ATTO is the Power Behind the Storage.
